SOCIALISM ON FILM

THE COLD WAR AND INTERNATIONAL PROPAGANDA

AN ONLINE
VIDEO
COLLECTION

“ *Socialism on Film* offers a unique perspective on 20th-century world history and illustrates the power of the moving image to inform our knowledge of the past. ”

Heather Stewart, Creative Director, British Film Institute

Look behind the iron curtain and see the other side of the Cold War through unique film footage.

Sourced from the **British Film Institute (BFI)**, this online collection of documentary, newsreel and feature films reveals the world as seen by Soviet, Chinese, Vietnamese, East European, and Latin American filmmakers. Ranging from the early 20th century to the 1980s, material encapsulates the themes of war, revolution, news, current affairs, culture and society.

Let Us Handle The Load

A yellow crane hook is shown lifting a wooden crate. The crate has a red and white label that reads "STANDING ORDERS". The crane hook is yellow and has a silver hook. The wooden crate is light brown and has a red and white label. The label has the words "STANDING" and "ORDERS" in red capital letters on a white background.

Frustrating. Time-consuming. Standing Orders are one of the most burdensome tasks for your library acquisitions staff. And, when delayed by the publisher, book orders can be completely lost in the shuffle.

Save time and effort. Let Midwest Library Service do the work for you!

Research, research, research!

Midwest is proactive, going directly to the publishers to verify publication dates for Standing Orders.

Follow-up & Reporting

Our records are continuously updated and reported. When delayed, we immediately report and monitor your order's status. Online access to your Standing Order account is also available to you via InterACQ.

Prompt Delivery & Accurate Invoicing

You receive your books as soon as they are published, invoiced per your instructions. And, if requested, we can process and supply your order shelf-ready.

Here's what just a few of our customers have to say about our Standing Order Service:

"With Midwest Library Service's standing order service, we are no longer missing publications."

"Thank you for all your investigative hard work!"

"...you've never let us down with your efforts and consistency."

"All I needed to do was provide you a list of titles and vendors. Moving standing orders to Midwest was easy."

"Thank you for cancelling the standing orders with our previous vendor, and cleanly instating the order with Midwest. You made the transition so smooth."
